TITLE 7—AGRICULTURE

Chapter III—Bureau of Entomology and Plant Quarantine, Department of Agriculture

[D. E. P. Q. 571]

PART 319—FOREIGN QUARANTINE NOTICES

NURSERY STOCK, PLANT, AND SEED QUARANTINE; LIST OF APPROVED PACKING MATERIALS AND INSTRUCTIONS FOR THEIR USE

Pursuant to the authority conferred upon the Chief of the Bureau of Entomology and Plant Quarantine by § 319.37-16 of the regulations supplemental to the Nursery Stock, Plant, and Seed Quarantine No. 37 (7 CFR 319.37-1 through 319.37-25, 13 F. R. 4267), the following administrative instructions are hereby issued to approve certain packing materials that may be employed in connection with any shipment of restricted plant materials, to prescribe instructions as to their use, and to indicate situations under which limited modifications may be made where conditions as to pest risk permit.

§ 319.37-16a *Administrative instructions: list of approved packing materials and instructions for their use*. The following materials, when free from sand, soil, or earth unless otherwise noted, and when they have not been previously used as packing or otherwise with living plants, are approved as packing materials for use in connection with any shipment of restricted plant materials imported in accordance with Nursery Stock, Plant, and Seed Quarantine No. 37 and supplementary regulations (§§ 319.37 through 319.37-25, 13 F. R. 4267):

Buckwheat hulls.
Charcoal (inspection is difficult when this material is used. It should be used only where its particular qualities are especially desirable and other approved packing materials are unsuitable.)

Coral sand from Bermuda, when free from surface soil, and certified as such by the Director of Agriculture of Bermuda.

Excelsior.
Exfoliated vermiculite.
Ground cork.
Ground peat.
Sawdust.
Shavings.
Sphagnum moss.

Vegetable fiber when free of pulp, including coconut fiber and Osmunda fiber, but excluding sugarcane fiber and cotton fiber.

In cases of emergency an inspector may approve for use for specific shipments packing materials other than those listed, after he has determined that such materials are free from sand, soil, or earth and that their use does not involve a risk of introducing plant pests. Should the inspector determine that any unlisted packing material accompanying a specific shipment of restricted plant material is objectionable, the shipment may be refused entry.

Regulations governing the entry of hay and straw packing material are contained in this Department's Bureau of Animal Industry Order 371 (9 CFR 95.21 and 95.22). Such material is restricted entry from countries where rinderpest or foot-and-mouth disease exists. Any such material offered for entry without having met the conditions of § 95.21 (9 CFR 95.21) is required by § 95.22 (9 CFR 95.22) to be disinfected or burned. The provisions of this Bureau of Animal Industry order are not applicable to hay or straw mats, jackets, or casings.

All restricted material from Europe and Canada must be free from willow withes. Such material, when not free from willow withes, will be refused entry until the withes are removed and destroyed. Such material, when accompanied by willow withes, may be held in

customs custody for a period not exceeding 40 days, during which period the permittee or his agent, after making satisfactory arrangements, may remove and destroy the withes under the supervision of, and in a manner satisfactory to, an inspector, after which the shipment may be handled in the usual way. (Secs. 1, 3, 33 Stat. 1269, 1270, secs. 1, 5, 7, 37 Stat. 315, 316, 317, as amended, 7 U. S. C. 141, 143, 7 U. S. C. and Sup. 154, 159, 160)

The authorization to use certain packing materials which is included in the present administrative instructions is being deleted therefrom due to the fact that it has been determined that the use of such materials involves pest risks. The public interest requires that this action be consummated at the earliest practicable date. The names of certain other packing materials have been added to those whose use is permitted by the present administrative instructions. It is of advantage to shippers that they be authorized as soon as possible to use the new materials. The amendment, insofar as such new materials is concerned, constitutes a relaxation of restrictions. Therefore, good cause is found for the issuance of these administrative instructions effective less than 30 days after the publication thereof.

These administrative instructions shall supersede B. E. P. Q. 365 (7 CFR 319.37-7a), and B. E. P. Q. 369 (7 CFR 319.37-7b). They shall be effective January 1, 1949, and shall remain in effect until modified or revoked.

Done at Washington, D. C., this 17th day of December 1948.

Acting Chief, Bureau of
Entomology and Plant Quarantine.

§ 240.7c2-1 *Exemption from section 7 (c) (2) of certain securities exempted from registration or admitted to trading on exchanges exempted from registration.* (a) So long as any security continues to be listed on a national securities exchange as a security exempted from the operation of section 12 (a)

(48 Stat. 892; 15 U. S. C. 781 (a)), pursuant to a rule which specifically provides that this section shall be applicable to such security, such security shall be exempt from the operation of section 7 (c) (2) (48 Stat. 887; 15 U. S. C. 78g (c) (2)) to the extent necessary to render lawful any direct or indirect extension or maintenance of credit thereon or any direct or indirect arrangement therefor which would not have been unlawful if such security had been a security (other than an exempted security) registered on a national securities exchange.

(b) So long as any security which is not registered on a national securities exchange continues to be admitted to either listed or unlisted trading privileges on any exchange which is exempted from registration as a national securities exchange, such security shall be exempt from the operation of section 7 (c) (2) of the Act to the extent necessary to render lawful any direct or indirect extension or maintenance of credit thereon or any direct or indirect arrangement therefor which would not have been unlawful if such security had been a security (other than an exempted security) registered on a national securities exchange. HYPOTHECATION OF CUSTOMERS' SECURITIES

§ 240.8c-1 *Hypothecation of customers' securities—(a) General provisions.* No member of a national securities exchange, and no broker or dealer who transacts a business in securities through the medium of any such member shall, directly or indirectly, hypothecate or arrange for or permit the continued hypothecation of any securities carried for the account of any customer under circumstances:

(1) That will permit the commingling of securities carried for the account of any such customer with securities carried for the account of any other customer, without first obtaining the written consent of each such customer to such hypothecation;

(2) That will permit such securities to be commingled with securities carried for the account of any person other than a bona fide customer of such member, broker or dealer under a lien for a loan made to such member, broker or dealer; or

(3) That will permit securities carried for the account of customers to be hypothecated, or subjected to any lien or liens or claim or claims of the pledgee or pledgees, for a sum which exceeds the aggregate indebtedness of all customers in respect of securities carried for their accounts; except that this clause shall not be deemed to be violated by reason of an excess arising on any day through

⁴ Forms 2 and 3 now obsolete.

the reduction of the aggregate indebtedness of customers on such day, provided that funds or securities in an amount sufficient to eliminate such excess are paid or placed in transfer to pledgees for the purpose of reducing the sum of the liens or claims to which securities carried for the account of customers are subjected as promptly as practicable after such reduction occurs, but before the lapse of one-half hour after the commencement of banking hours on the next banking day at the place where the largest principal amount of loans of such member, broker or dealer are payable and, in any event, before such member, broker or dealer on such day has obtained or increased any bank loan collateralized by securities carried for the account of customers.

(b) *Definitions.* For the purposes of this section:

(1) The term "customer" shall not be deemed to include any general or special partner or any director or officer of such member, broker, or dealer, or any participant, as such, in any joint, group or syndicate account with such member, broker, or dealer or with any partner, officer or director thereof;

(2) The term "securities carried for the account of any customer" shall be deemed to mean:

(i) Securities received by or on behalf of such member, broker or dealer for the account of any customer;

(ii) Securities sold and appropriated by such member, broker or dealer to a customer, except that if such securities were subject to a loan when appropriated to a customer they shall not be deemed to be "securities carried for the account of any customer" pending their release from such lien as promptly as practicable;

(iii) Securities sold, but not appropriated, by such member, broker or dealer to a customer who has made any payment therefor, to the extent that such member, broker or dealer owns and has received delivery of securities of like kind, except that if such securities were subject to a lien when such payment was made they shall not be deemed to be "securities carried for the account of any customer" pending their release from such lien as promptly as practicable;

(3) "Aggregate indebtedness" shall not be deemed to be reduced by reason of uncollected items. In computing aggregate indebtedness, related guaranteed and guarantor accounts shall be treated as a single account and considered on a consolidated basis, and balances in accounts carrying both long and short positions shall be adjusted by treating the market value of the securities required to cover such short positions as though such market value were a debit; and

(4) In computing the sum of the liens or claims to which securities carried for the account of customers of a member, broker or dealer are subject, any rehypothecation of such securities by another member, broker or dealer who is subject to this section or to § 240.15c2-1 shall be disregarded.

(c) *Exemption for cash accounts.* The provisions of paragraph (a) (1)

of this section shall not apply to any hypothecation of securities carried for the account of a customer in a special cash account within the meaning of 12 CFR 220.4 (c): *Provided*, That at or before the completion of the transaction of purchase of such securities for, or of sale of such securities to, such customer, written notice is given or sent to such customer disclosing that such securities are or may be hypothecated under circumstances which will permit the commingling thereof with securities carried for the account of other customers. The term "the completion of the transaction" shall have the meaning given to such term by § 240.15c1-1 (b).

(d) *Exemption for clearing house liens.* The provisions of paragraphs (a) (2), (a) (3), and (f) of this section shall not apply to any lien or claim of the clearing corporation, or similar department or association, of a national securities exchange, for a loan made and to be repaid on the same calendar day, which is incidental to the clearing of transactions in securities or loans through such corporation, department or association: *Provided, however*, That for the purpose of paragraph (a) (3) of this section "aggregate indebtedness of all customers in respect of securities carried for their accounts" shall not include indebtedness in respect of any securities subject to any lien or claim exempted by this paragraph.

(e) *Exemption for certain liens on securities of noncustomers.* The provisions of paragraph (a) (2) of this section shall not be deemed to prevent such member, broker or dealer from permitting securities not carried for the account of a customer to be subjected (1) to a lien for a loan made against securities carried for the account of customers, or (2) to a lien for a loan made and to be repaid on the same calendar day. For the purpose of this exemption, a loan shall be deemed to be "made against securities carried for the account of customers" if only securities carried for the account of customers are used to obtain or to increase such loan or as substitutes for other securities carried for the account of customers.

(f) *Notice and certification requirements.* No person subject to this section shall hypothecate any security carried for the account of a customer unless, at or prior to the time of each such hypothecation, he gives written notice to the pledgee that the security pledged is carried for the account of a customer and that such hypothecation does not contravene any provision of this section, except that in the case of an omnibus account the member, broker or dealer for whom such account is carried may furnish a signed statement to the person carrying such account that all securities carried therein by such member, broker or dealer will be securities carried for the account of his customers and that the hypothecation thereof by such member, broker or dealer will not contravene any provision of this section. The provisions of this paragraph shall not apply to any hypothecation of securities under any lien or claim of a pledgee securing a loan made and to be repaid on the same calendar day. PEGGING, FIXING, AND STABILIZING THE PRICES OF SECURITIES TO FACILITATE OFFERINGS AT THE MARKET

§ 240.9a6-1 *Scope of §§ 240.9a6-1 to 240.9a6-6.* Sections 240.9a6-1 to 240.9a6-6 shall apply to any person who, directly or indirectly, by the use of the mails or any means or instrumentality of interstate commerce, or of any facility of any national securities exchange, effects either alone or with one or more other persons any series of transactions for the purchase and/or sale of any security (other than an exempted security) registered on a national securities exchange for the purpose of pegging, fixing, or stabilizing the price of such security (hereinafter referred to as stabilizing) to facilitate an offering at the market of any registered security.

§ 240.9a6-2 *Definitions.* When used in §§ 240.9a6-1 to 240.9a6-6 and in Form X-9A6-1, unless the context otherwise requires:

(a) The term "offering at the market" means an offering in which the offering price is represented to be "at the market" or at a price related to the market price.

(b) The term "designated exchange" means the national securities exchange designated in the notice of intention to stabilize as the principal exchange market for a security.

(c) The term "security which is a subject of the offering" means any security comprised within such offering or any security of the same class.

(d) The term "security involved in the stabilization" means any security which is a subject of the offering or any other security being stabilized to facilitate such offering.

§ 240.9a6-3 *Notice of intention to stabilize.* No person subject to §§ 240.9a6-1 to 240.9a6-6 shall stabilize a security unless he has sent a notice of intention to stabilize such security to the Commission in triplicate on Form X-9A6-1 and at least one copy to each national securities exchange on which it is intended to effect any stabilizing transactions.

§ 240.9a6-4 *Transactions while stabilizing.* (a) In respect of any security involved in the stabilization, or of any right or warrant to subscribe to any such security, no person subject to §§ 240.9a6-1 to 240.9a6-6, inclusive, shall, for the account of any of the persons stabilizing, or in the exercise of discretionary power:

(1) Effect any purchase thereof (i) above the price at which the last sale thereof regular way was effected on its designated exchange, or (ii) at such last sale price unless the highest price which the security attained on that exchange on the date of the purchase exceeds such last sale price by one-half of 1 percent of the highest price or one-fourth point, whichever is greater; or

(2) Effect any purchase or sale thereof above the maximum price thereof, as defined in paragraph (b) of this section,

except that this subparagraph shall not be applicable to sales made through the sales of rights or warrants or conversion privileges; or

(3) Effect any purchase thereof which is designed to raise the prevailing market price thereof; or

(4) Effect any purchase thereof at a price which he knows, or has reasonable grounds to believe, is the result of one or more transactions raising the price thereof for the purpose of inducing the purchase of such security by others; or

(5) Effect any purchase thereof at a price at which he knows another person is then competing with him for the purchase of such security from the same seller or broker; or

(6) If such security is a subject of the offering, effect any purchase thereof at a price above the price at which the offering is currently being made.

(b) The maximum price of a security involved in the stabilization (other than a right or a warrant) shall be an amount equal to 102½ percent of the price at which the first purchase thereof is effected in the open market for the account of any stabilizer after the notice of intention to stabilize is sent to the Commission, but shall not exceed such first purchase price by more than one point, except that:

(1) If such security is sold ex-right, ex-warrant, ex-dividend, or ex-interest, the maximum price thereof, as soon as it is so sold, shall be reduced by the market value of such right, warrant, dividend, or interest, or if there is no such market value, by the value as computed by any reasonable method; or

(2) If the number of outstanding shares is, or is to be, increased or decreased by a split-up or combination, the maximum price of the securities issued, or to be issued, pursuant to the split-up or combination shall be computed in proportion to the increase or decrease as soon as a sale of such securities is effected.

(c) If the maximum price of a security computed in accordance with the foregoing is not a multiple of the customary minimum price variation for such security on its principal market, such maximum price shall be increased by the smallest amount necessary to make it a multiple thereof.

§ 240.9a6-5 *Requirements for disclosure.* A person subject to §§ 240.9a6-1 to 240.9a6-6, inclusive:

(a) Shall not use or furnish for use by others any written communication for the purpose of inducing a purchase of any security involved in the stabilization or any right or warrant to subscribe to any such security, unless the statement required by paragraph (b) of this section is included therein;

(b) If he sells to any person, otherwise than on an exchange, or purchases for the account of any person, any such security, shall give or send, at or before the completion of the transaction, written disclosure to such person that stabilizing transactions have been effected to facilitate the offering, if that be the fact, and, in any event shall deliver in writing to such person, before the completion of the transaction, a statement substantially similar to the following:

To facilitate the offering, it is intended to stabilize the price(s) of _____

(Identify security(ies) in which stabilizing transactions will be effected)

on _____

(Identify exchange(s) on which stabilizing transactions will be effected. If none, omit this line)

this statement is not an assurance that the price(s) of the above security(ies) will be stabilized or that the stabilizing, if commenced, may not be discontinued at any time.

§ 240.9a6-6 *Reports.* Every person subject to §§ 240.9a6-1 to 240.9a6-6, inclusive, shall file with the Commission all reports and the notice of termination required to be filed by § 240.17a-2 even though he is not otherwise subject to that section. (Secs. 9, 17, 48 Stat. 889, 897; sec. 4, 49 Stat. 1379; sec. 5, 52 Stat. 1076; 15 U. S. C. 78i (a) (6) 78 q (a)) [Rule X-9A6-1]

SHORT SALES

§ 240.10a-1 *Short sales.* (a) No person shall, for his own account or for the account of any other person, effect on a national securities exchange a short sale of any security (1) below the price at which the last sale thereof, regular way, was effected on such exchange, or (2) at such price unless such price is above the next preceding different price at which a sale of such security, regular way, was effected on such exchange. In determining the price at which a short sale may be effected after a security goes ex-dividend, ex-right, or ex- any other distribution, all sale prices prior to the "ex" date may be reduced by the value of such distribution.

(b) No member of a national securities exchange shall, by the use of any facility of such exchange, execute any sell order unless such order is marked either "long" or "short".

(c) No member of a national securities exchange shall mark a sell order "long" unless (1) the security to be delivered after sale is carried in the account for which the sale is to be effected, or (2) such member is informed that the seller owns the security ordered to be sold and, as soon as is possible without undue inconvenience or expense, will deliver the security owned to the account for which the sale is to be effected.

(d) The provisions of paragraph (a) of this section shall not apply to (1) any sale by any person, for an account in which he has an interest, if such person owns the security sold and intends to deliver such security as soon as is possible without undue inconvenience or expense; (2) any member in respect of a sale, for an account in which he has no interest, pursuant to an order to sell which is marked "long"; (3) any sale of an odd-lot; (4) any sale by an odd-lot dealer to offset odd-lot orders of customers; (5) any sale by an odd-lot dealer to liquidate a long position which is less than a round lot, provided such sale does not change the position of such odd-lot dealer by more than the unit of trading; (6) any sale of a security on a national securities exchange effected with the approval of such exchange which is necessary to

equalize the price of such security thereon with the current price of such security on another national securities exchange which is the principal exchange market for such security; (7) any sale of a security for a special arbitrage account by a person who then owns another security by virtue of which he is, or presently will be, entitled to acquire an equivalent number of securities of the same class as the securities sold; provided such sale, or the purchase which such sale offsets, is effected for the bona fide purpose of profiting from a current difference between the price of the security sold and the security owned and that such right of acquisition was originally attached to or represented by another security or was issued to all the holders of any class of securities of the issuer; (8) any sale of a security on a national securities exchange effected for a special international arbitrage account for the bona fide purpose of profiting from a current difference between the price of such security on a securities market not within or subject to the jurisdiction of the United States and on such national securities exchange; *Provided*, The seller at the time of such sale knows or, by virtue of information currently received, has reasonable grounds to believe that an offer enabling him to cover such sale is then available to him in such foreign securities market and intends to accept such offer immediately; or (9) any sale of a security on a national securities exchange effected in accordance with a special offering plan declared effective by the Commission pursuant to § 240.10b-2 (d).

For the purpose of subparagraph (8) a depository receipt for a security shall be deemed to be the same security as the security represented by such receipt. (Sec. 10a, 48 Stat. 891; 15 U. S. C. 78j (a)) [Rule X-10A-1]

§ 240.10a-2 *Requirements for covering purchases.* (a) No member of a national securities exchange shall lend, or arrange for the loan of, any security for delivery to the broker for the purchaser after sale, or shall fail to deliver a security on the date delivery is due, if such member knows or has reasonable grounds to believe that the sale was effected, or will be effected, pursuant to an order marked "long", unless such member knows, or has been informed by the seller, (1) that the security sold has been forwarded to the account for which the sale was effected; or (2) that the seller owns the security sold, that it is then impracticable to deliver to such account the security owned and that he will deliver such security to such account as soon as is possible without undue inconvenience or expense.

(b) The provisions of paragraph (a) of this section shall not apply (1) to the lending of a security by a member through the medium of a loan to another member, or (2) to any loan, or arrangement for the loan, of any security, or to any failure to deliver any se-

curity if, prior to such loan, arrangement, or failure to deliver, the exchange upon which the sale requiring the delivery of such security was effected finds (i) that such sale resulted from a mistake made in good faith, (ii) that due diligence was used to ascertain that the circumstance specified in § 240.10a-1 (c) (1) existed or to obtain the information specified in § 240.10a-1 (c) (2), and (iii) either that the condition of the market at the time the mistake was discovered was such that undue hardship would result from covering the transaction by a "purchase for cash", or that the mistake was made by the seller's broker and the sale was at a price permissible for a short sale under § 240.10a-1 (a). § 240.10b-1 *Prohibition of use of manipulative or deceptive devices or contrivances with respect to certain securities exempted from registration.* The term "manipulative or deceptive device or contrivance," as used in section 10 (b) (48 Stat. 891; 15 U. S. C. 78j (b)), is hereby defined to include any act or omission to act with respect to any security exempted from the operation of section 12 (a) (48 Stat. 892; 15 U. S. C. 78l (a)) pursuant to any section in this part which specifically provides that this section shall be applicable to such security, if such act or omission to act would have been unlawful under section 9 (a) (48 Stat. 889; 15 U. S. C. 78i (a)), or any rule or regulation heretofore or hereafter prescribed thereunder, if done or omitted to be done with respect to a security registered on a national securities exchange, and the use of any means or instrumentality of interstate commerce or of the mails or of any facility of any national securities exchange to use or employ any such device or contrivance in connection with the purchase or sale of any such security is hereby prohibited. (Sec. 10, 12; 48 Stat. 891, 892, 15 U. S. C. 78j, 78l) [Rule X-10B-1]

§ 240.10b-2 *Solicitation of purchases on an exchange to facilitate distribution of securities.* (a) No person, participating or otherwise financially interested in the primary or secondary distribution of any security of any issuer, shall, by the use of any means or instrumentality of interstate commerce or of the mails, or of any facility of any national securities exchange:

(1) Pay or offer or agree to pay, directly or indirectly, to any person any compensation for soliciting another to purchase any security of the same issuer on a national securities exchange, or for purchasing any security of the same issuer on any such exchange for any

account other than the account of the person who pays or is to pay such compensation; or

(2) Sell, offer to sell or induce an offer to buy such security, or deliver such security after sale, if, in connection with such distribution, such person has paid, or has offered or agreed to pay, directly or indirectly, to any person, any compensation for soliciting another to purchase any security of the same issuer on any national securities exchange, or for purchasing any security of the same issuer on any such exchange for any account other than the account of the person who has paid or is to pay such compensation.

(b) No person, participating or otherwise financially interested in the primary or secondary distribution of any security of any issuer, shall cause a purchase or sale of any security of the same issuer on a national securities exchange by paying or offering or agreeing to pay, directly or indirectly, to any person any compensation for soliciting another to purchase such security on any such exchange, or for purchasing such security on any such exchange for any account other than the account of the person who pays or is to pay such compensation.

(c) The provisions of this section shall not apply in respect to any salary paid by a broker or dealer to any person regularly employed by him whose ordinary duties include the solicitation or execution of brokerage orders on a national securities exchange, if such salary represents only ordinary compensation for the discharge by such person of such duties in the regular course of his employment, and is not paid, in whole or in part, directly or indirectly, for the inducement by such person of the purchase or sale on a national securities exchange of any security of the issuer of the security in the primary or secondary distribution of which such broker or dealer is participating or otherwise financially interested.

(d) (1) The provisions of this section shall not apply to any transaction involving the payment of a special commission to a person acting as a broker for a purchaser by a person selling any security described in this paragraph, where such payment is made pursuant to the terms of an effective plan authorizing the payment of special commissions in connection with a distribution of securities, which plan has been filed with the Commission by a national securities exchange: *Provided*, That such person, at the time he pays, or offers or agrees to pay, any such commission does not know or have reasonable grounds to believe that transactions connected with such distribution are being carried out in violation of such plan. This exemption shall be available only in respect of securities listed and registered on a national securities exchange, or of securities admitted to unlisted trading privileges on any such exchange where the issuer (i) has any security listed and registered on any such exchange and has filed the annual and other periodic reports required pursuant to the Securities Exchange Act of 1934 (48 Stat. 88, et seq.; 15 U. S. C. 78a-hh), or (ii) has any security registered under the Securities Act of 1933 (48 Stat. 74, et seq., 15 U. S. C.

S. C. 80a-1-53) and has filed the annual and other periodic reports required pursuant to such act.

(2) For the purposes of this rule a plan filed with the Commission by a national securities exchange shall not become effective unless the Commission, having due regard for the public interest and for the protection of investors, declares the plan to be effective. The Commission in its declaration may impose such terms and conditions relating to the provisions of the plan and the period of its effectiveness as it deems necessary or appropriate in the public interest or for the protection of investors. EXEMPTION OF CERTAIN SECURITIES FROM SECTION 11 (d) (1)

§ 240.11d1-1 *Exemption of certain securities from section 11 (d) (1)*. A security shall be exempt from the provisions of section 11 (d) (1) with respect to any transaction by a broker and dealer who, directly or indirectly, extends or maintains or arranges for the extension or maintenance of credit on the security to or for a customer if:

(a) The broker and dealer has not sold the security to the customer or bought the security for the customer's account; or

(b) The security is acquired by the customer in exchange with the issuer thereof for an outstanding security of the same issuer on which credit was lawfully maintained for the customer at the time of the exchange; or

(c) The customer is a broker or dealer or bank; or

(d) The security is acquired by the customer through the exercise of a right evidenced by a warrant or certificate expiring within 90 days after issuance, provided such right was originally issued to the customer as a stockholder of the corporation issuing the security upon which credit is to be extended, or as a stockholder of a company distributing such security in order to effectuate the provisions of section 11 of the Public Utility Holding Company Act of 1935. The right shall be deemed to be issued to the customer as a stockholder if he actually owned the stock giving rise to the right when such right accrued, even though such stock was not registered in his name; and in determining such fact the broker and dealer may rely upon a signed statement of the customer which the broker and dealer accepts in good faith; or

(e) Such broker and dealer would otherwise be subject to the prohibition of section 11 (d) (1) with respect to 50% or less of all the securities of the same class which are outstanding or currently being distributed, and such broker and dealer sold the security to the customer or bought the security for the customer's account on a day when he was not participating in the distribution of any new issue of such security. A broker-dealer shall be deemed to be participating in a distribution of a new issue if (1) he owns, directly or indirectly, any undistributed security of such issue, or (2) he is engaged in any stabilizing activities to facilitate a distribution of such issue, or (3) he is a party to any syndicate agreement under which such stabilizing activities are being or may be undertaken, or (4) he is a party to an executory agreement to purchase or distribute such issue. § 240.12a-2 *Temporary exemption from section 12 (a) of the act of certain securities secured by property which, or a leasehold interest in which, is owned by a person not the original issuer of such security; prohibition of use of manipulative or deceptive devices or contrivances with respect thereto*.

(a) Any security which is secured by property which, or a leasehold interest in which, is now owned by a person who was not the original issuer of such security, shall be exempt from the operation of section 12 (a) of the act (48 Stat. 892; 15 U. S. C. 78l (a)) to and including the respective dates indicated below, and for such longer period, if any as would have been applicable under § 240.12a-1 or § 240.12a-3, if such security had been a security of such owner or lessee:

(1) If temporary registration of such security expired on June 30, 1935, such exemption shall continue to and including November 5, 1935, unless either of the following conditions is satisfied, in which event such exemption shall continue to and including April 30, 1936:

(i) An application for the registration of such security has been filed by the original issuer or by such owner or lessee.

(ii) Such owner or lessee has filed with the exchange and with the Commission a statement conforming to the requirements of paragraph (b) of this section as the same existed prior to this amendment.

(2) If such security was listed on an exchange at the time a temporary exemption from registration was granted to such exchange, and shall have continued to be so listed until registration of such exchange became effective, such exemption shall continue to and including April 30, 1936.

If registration pursuant to section 12 (b), (c) and (d) (48 Stat. 892, 893; 15 U. S. C. 78l (b), (c), (d)) shall become effective as to any obligation evidenced by any such security, such exemption shall forthwith terminate as to such obligation.

(b) Any security exempted by paragraph (a) of this section from the operation of section 12 (a) of the act shall continue to be exempt from the operation of said section 12 (a), to the extent necessary to render lawful the effecting of transactions therein on any national

securities exchange on which such security is now listed, until this section shall be revoked, or modified, if on or before the twentieth day preceding the expiration of the exemption provided by said paragraph (a) the owner or lessee of the property securing the same shall file with such exchange, and with the Commission, a statement with respect to such security or, if such owner or lessee is personally liable upon such security, an application for the registration of such security, conforming to the following requirements. Such statement or application, as the case may be, shall be made upon the form appropriate for registration of securities of such owner or lessee, shall set forth the information required by such form, and shall contain the following additional statement with respect to such security:

(2) That such security is secured by property which is owned or leased by such owner or lessee and, if leased, a brief outline of the principal provisions of such lease, together with a copy of such lease as an exhibit;

(3) That the original issuer has either been dissolved or has no assets (other than nominal assets) except its interest, if any, in such property, and that such security has as its only means of service payments made by such owner or lessee; and

(4) Whether or not such owner or lessee is personally liable upon such securities.

If any such statement or application does not contain the additional statement and exhibit required in subparagraphs (1)-(4) of this paragraph, such additional statement and exhibit may be supplied in an amendment, pursuant to § 240.12b-3, filed on or before such twentieth day. Any such security may be included in any application made by such owner or lessee for the registration of its own securities, provided that it is clearly indicated that the required additional statement is made for the purposes of this section.

If registration pursuant to section 12 (b), (c) and (d) of the act shall become effective as to any obligation evidenced by any such security, such exemption shall forthwith terminate as to such obligation.

12 (b) and (c) (48 Stat. 892, 893; 15 U. S. C. 781 (b), (c)) for the registration of such security on a national securities exchange; or (ii) the Commission has granted an application made pursuant to section 12 (f) (48 Stat. 849, 49 Stat. 1375; 15 U. S. C. 78l (f)), to continue or extend unlisted trading privileges to such security on a national securities exchange; or (iii) written notice has been filed with the Commission by a national securities exchange to the effect that such security has been approved for admission to dealing as a security exempted from the operation of section 12 (a) of the act.

C. 78l (a)) to the extent necessary to render lawful the affecting of transactions therein on any national securities exchange upon which the beneficiary security is admitted to dealing or upon which the subject security is admitted to dealing or is in the process of admission to dealing. *Provided, That:*

(1) Such warrant expires by its terms within 90 days after the issuance thereof.

(2) At least 6 days prior to the commencement of dealing in such warrant as an exempted security on any such exchange, a statement on Form 15-AN has been filed (i) with the Commission and with such exchange by the issuer of such warrant or (ii) with the Commission by such exchange; except that such statement need be filed only 2 business days prior to such commencement of dealing if, at the time of such commencement of dealing, another statement on Form 15-AN complying with the requirements of this section in respect of exemption of such warrant on another exchange, has been on file at least 6 days.

(d) The Commission may by order revoke the exemption of a warrant exempted under this section, if, after appropriate notice and opportunity for hearing to the issuer of such warrant and to the exchange or exchanges on which such warrant is admitted to dealing as an exempted security, it finds that:

(1) Any cause has existed at any time during the period of such exemption which would have prevented such exemption from being effective including the failure to file any amendment required by paragraph (c) of this section; or

(2) At any time during the period of such exemption, transactions have been effected on any such exchange in such warrant which (i) create or induce a false, misleading or artificial appearance of activity, (ii) unduly or improperly influence the market price, or (iii) make a price which does not reflect the true state of the market; or

(3) Any other facts exist which make such revocation necessary or appropriate in the public interest or for the protection of investors.

(e) If it appears necessary or appropriate in the public interest or for the protection of investors, the Commission may summarily suspend the exemption of such warrant pending the determination by the Commission whether such exemption shall be revoked.

(f) Section 240.10b-1 shall be applicable to any warrant exempted from the operation of section 12 (a) of the act by paragraph (b) of this section. (Secs. 3 (a) (12), 12 (a), 48 Stat. 882, 892; 15 U. S. C. 78c (a) (12), 78l (a)) [Rule X-12A-4]

(2) When the exempt security is granted unlisted trading privileges on the exchange;

S. C. Chapter 2B), if it substantially conforms to the requirements of the form on which such application or report is filed. The incorporation may be made whether the matter incorporated was filed by the issuer or any other person. If a certificate of an independent public or independent certified public accountant or accountants is required to accompany a financial statement in any application or report, the incorporation by reference of a certificate previously or concurrently filed will not be deemed a compliance with such requirement unless the written consent of the accountant or accountants to such incorporation is filed with the application or report.

(d) In each case of incorporation by reference, the matter incorporated shall be clearly identified in the reference. An express statement shall be made to the effect that the specified matter is incorporated in the application or report at the particular place where the information is required.

(e) Notwithstanding any particular provision permitting incorporation by reference, no application or report shall incorporate by reference any exhibit or financial statement which (1) has been withdrawn, or (2) was filed in connection with the registration on a national securities exchange of, or any report with respect to, securities the registration of which has ceased to be effective, or (3) is contained in a registration statement subject, at the time of filing the application or report, to pending proceedings under section 8 (b) or 8 (d) of the Securities Act of 1933 (48 Stat. 79; 15 U. S. C. 77 h (b), (d)) or to an order entered under either of those sections.

(f) Notwithstanding any particular provision permitting incorporation by reference, the Commission or exchange may refuse to permit such incorporation in any case in which in its judgment such incorporation would render the application or report incomplete, unclear, or confusing. (Secs. 12, 13, 15, 48 Stat. 892, 894, 895, sec. 3, 49 Stat. 1377; 15 U. S. C. 78l, 78m, 78o) [Rule X-12B-4]

§ 240.12b-5 *Reservation of constitutional rights.* Any issuer filing an application for registration on an exchange and any person signing, or certifying to, such application or anything contained therein may accompany such application, signature, or certification by an express reservation of, and refusal to waive, any constitutional rights. S. C. 78l (b), (c)), reports or other documents with respect to any other person, such reports or other documents need not be certified by independent public or independent certified public accountants if such certification of such reports or other documents would not be required if the person with respect to which they are required to be furnished were itself the registrant, any other rule or regulation to the contrary notwithstanding. (Sec. 12, 48 Stat. 892; 15 U. S. C. 78l) [Rule X-12B-6]

§ 240.12b-7 *Procedure for termination of registration upon failure to file omitted financial statements or other information.* In all cases in which, pursuant to the Instruction Book for the Form on which its application for permanent registration (pursuant to sections 12 (b), (c) and (d) of the act) was filed, a registrant shall have filed as part of such

application an agreement that registration pursuant to such application shall expire on a specified date unless prior to the date so specified the registrant shall have filed specified financial statements or other information omitted therefrom, and the registrant shall have failed to file such financial statements or other information prior to such specified date, the registration shall continue in effect until the close of business on the tenth day following the date on which telegraphic notice of such failure to file by the registrant shall have been given by the Commission to the registrant and the exchange, but such registration shall terminate at the close of business on such tenth day unless prior to the close of business on the fifth day following the giving of such notice either (a) all of the omitted financial statements or other information shall have been filed, or (b) the time for filing shall have been further extended by agreement of the registrant and the Commission. S. C. 78m), as such date is determined by applicable rules or by the registrant's application for extension of time pursuant to such rules. Sec. 12, 13, 48 Stat. 892, 894; 15 U. S. C. 78l, 78m) [Rule X-12B-8]

§ 240.12b-9 *Registration by closed-end management investment companies.* (a) Notwithstanding the requirements of the form which would otherwise be appropriate for registration of securities on an exchange under the Securities Exchange Act of 1934 (hereinafter called the "appropriate form"), any closed-end management investment company which is registered under the Investment Company Act of 1940 and which has no securities listed and registered on any exchange may file an application for registration of securities under the Securities Exchange Act of 1934 consisting of the following:

(c) Any application filed pursuant to this rule after the end of one or more fiscal years of the registrant following the last fiscal year for which certified financial statements were included in its registration statement under the Securities Act of 1933 shall be accompanied by an annual report for each such fiscal year on the form appropriate for annual reports of the registrant pursuant to section 13 of the Securities Exchange Act of 1934 (48 Stat. 894; 15 U. § 240.12d1-1 *Certification by an exchange; amendments.* (a) Certification that a security has been approved by an exchange for listing and registration shall be made by the Governing Committee or corresponding authority of the exchange, and shall specify (1) such approval, and (2) the date of filing with the exchange of the application for registration and of any amendments thereto. The certification may be made by telegraph or wireless, but, in such case, shall be confirmed in writing.

(b) The exchange may, by notice to the Commission, withdraw its certification as to all or any part of the securities covered thereby prior to the time that the registration of such securities becomes effective. In the event that an amendment to an application for registration of any security is filed with the exchange and with the Commission, the certification, unless withdrawn, shall be deemed made with reference to the application as amended. [Rule X-12D1-1]

SUSPENSION OF TRADING, WITHDRAWAL, AND STRIKING FROM LISTING AND REGISTRATION

§ 240.12d2-1 *Suspension of trading, withdrawal and striking from listing and registration.* (a) (1) A security listed and registered on a national securities exchange may be suspended from trading by such exchange, in accordance

with its rules. Such exchange shall promptly notify the Commission of any such suspension, the effective date thereof and the reasons therefor.

(2) Any such suspension may be continued until such time as it shall appear to the Commission that such suspension is designed to evade the provisions of section 12 (d) (48 Stat. 893; 15 U. S. C. 78l (d)) and the rules and regulations thereunder relating to the withdrawal and striking of a security from listing and registration. During the continuance of such suspension the exchange shall notify the Commission promptly of any change in the reasons for the suspension. Upon the restoration to trading of any security suspended under this section, the exchange shall notify the Commission promptly of the effective date thereof.

(3) Suspension of trading shall not terminate the registration of any security.

(b) (1) An application by an issuer or an exchange to withdraw or strike a security from listing and registration pursuant to section 12 (d) of the act shall be made in accordance with the following requirements:

(i) The application shall be made in triplicate, shall be signed and sworn to by an officer of the applicant authorized to do so, and shall set forth the source of the authority of such officer. If the applicant is the issuer it shall forward promptly a copy of the application to the exchange and if the applicant is the exchange it shall forward promptly a copy of the application to the issuer.

(ii) The application shall cite the paragraph designation of each provision of the Constitution, by-laws or rules of the exchange, if any, which relates to such withdrawal or striking, and shall set forth the steps taken by the applicant to satisfy the requirements of such provision.

(iii) The application shall state the reasons for such proposed withdrawal or striking, together with all material facts relating thereto and such facts as in the opinion of the applicant have a bearing on whether the Commission should impose any terms for the protection of investors.

(2) If the application is made by the issuer, such issuer, if so directed by the Commission, shall promptly send notice of such application to all known holders of the security which is the subject of the application. Such notice shall state the time and place of hearing on the application and shall advise such security holders of their right to present their views by appearing at such hearing or writing the Commission on the subject of what terms, if any, should be imposed for the protection of investors in granting the application.

(3) The application may state that the applicant pursuant to this section offers the application in evidence at any hearing on such application. If such an offer is made, the application shall be received in evidence at the hearing as proof in support of the allegations therein without the necessity of the applicant appearing and introducing further evidence, unless:

(i) Counsel for the Commission objects, or

(ii) A holder of the security which is the subject of the application, the issuer or the exchange involved, or any other person having a bona fide interest in such proceeding appears and objects.

(4) If counsel for the Commission intends to object to the admission in evidence of the application or in advance of the hearing date is apprised of the intention of any person having a bona fide interest in the proceeding to appear in opposition to the application, he shall promptly advise the applicant thereof. If such objection or opposition is first made at such time that reasonable notice thereof cannot be given to the applicant, and the applicant does not appear, the hearing shall be continued to permit the applicant to appear and support its application at the adjourned date thereof. Unless the Commission otherwise directs, the application shall be dismissed if the applicant fails to appear and support its application after it has been notified by counsel for the Commission of such objection or opposition.

(c) If within 30 days after the publication of any rule or regulation which substantially alters or adds to the obligation, or detracts from the rights, of an issuer of a security registered pursuant to application under section 12 (b) or (c) of the act, or of its officers, directors or security holders, or of persons soliciting or giving any proxy or consent or authorization with respect to such security, the issuer shall file with the Commission a request that such registration shall expire and shall accompany such request with a written explanation of the reasons why the publication of such rule or regulation leads the issuer to make such request, such registration shall expire immediately upon receipt of such request or immediately before such rule or regulation becomes effective, whichever date is later. The absence of an express reservation, in an application for registration, of the rights herein granted shall not be deemed a waiver thereof.

(d) A security may be stricken from listing and registration by a national securities exchange if:

(1) Trading in such security has been terminated, pursuant to a rule of such exchange requiring such termination whenever a security is admitted to trading on another exchange; and

(2) Listing and registration of such security has become effective on such other exchange.

The exchange upon which such security has been so stricken shall notify the Commission of its action within 3 days from the date thereof. (Sec. 12 (d), 48 Stat. 892; 15 U. S. C. 78l (d)) [Rule X-12D2-2]

§ 240.12d2-2 *Withdrawal from listing and registration of maturing securities and securities redeemed or retired.* (a) If any of the events described in subparagraphs (1), (2), and (3) of this paragraph occur with respect to the entire class of any security, registration of which shall have become effective pursuant to § 240.12d1-1 (Rule X-12D1-1), the securities comprising such class shall

be removed from listing and registration on the exchange upon which such securities are so registered by notice to the Commission by the exchange of its intention to remove such securities accompanied by a certification that it is reliably informed: (1) that such securities have been paid, redeemed, or retired in full; (2) that funds sufficient for the payment at maturity, redemption, or retirement of such securities have been deposited with an authorized agency for the purpose of such payment, redemption, or retirement, and, in the case of redemption or retirement, that notice of such redemption or retirement has been duly given; or (3) that the instruments representing the securities comprising such class have come to evidence, by operation of law or otherwise, other securities in substitution for the original security, and represent no other right, except, if such be the fact, the right to receive an immediate cash payment. The existence of statutory provisions in the certificate of incorporation permitting dissenters to receive the appraised or fair value of their holdings shall not operate to bar the application of subparagraph (3) of this paragraph. Securities shall be deemed to be retired within the meaning of this section where all rights pertaining to such securities have been extinguished; where such an event occurs as a result of an order of a Federal or State court or other governmental authority, the securities shall not be deemed to be retired unless the order is final under the appropriate statute and all applicable appeal periods have expired and no appeals are pending.

Notice and certification pursuant to this rule shall be given within a reasonable time after the occurrence of any of the events specified above. However, if an event within the purview of subparagraph (3) of this paragraph is such that the instruments representing the original security have come to evidence another security of the same issuer, and if the exchange has admitted or intends to admit the substituted security to trading as a security exempt from the operation of section 12 (a) pursuant to § 240.12a-5 [Rule X-12A-5], the exchange shall not file a notice and certification removing the original security until the substituted security has been removed from its exempt status. Removal under subparagraphs (1) and (3) of this paragraph shall be effective at the opening of business on the seventh day following the mailing of the notice and certification. Removal under subparagraph (2) of this paragraph shall be effective at the opening of business on the seventh day following the mailing of the notice and certification, or on the seventh day following the date of maturity, redemption, or retirement, whichever is later.

(b) If any security which is part of a class, registration of which shall have become effective pursuant to § 240.12d1-1 [Rule X-12D1-1] is purchased and canceled by the issuer thereof or otherwise retired or redeemed, although the entire class is not thereby retired or redeemed, such security shall be removed from listing and registration on the exchange upon which it is so registered on the date upon which such exchange receives notice, satisfactory to it, of such retirement

or redemption. Any such removals from listing and registration shall be reported by the exchange to the Commission at intervals of 2 weeks or at such other periods as the Commission may designate, each such report to include all removals made since the last date covered by the preceding report. (Sec. 12 (d), 48 Stat. 892; 15 U. S. C. 78l (d)) [Rule X-12D2-2]

(2) The opening of business on the second day after the date of filing with the Commission of the certification by such exchange to the application for registration, or

(c) The Commission may accelerate the date upon which registration shall become effective upon a showing of unusual circumstances by written petition.

(d) Registration of an unissued warrant or other unissued security for "when issued" dealing shall expire at the close of business on the forty-fifth day after the effective date of such registration or at the close of business on the fifth full business day after the issuance of such warrant or other unissued security, whichever date is earlier, unless the Commission shall order an extension of the effective period of such registration. (Sec. 12 (d), 48 Stat. 892; 15 U. S. C. 781 (d)) [Rule X-12D3-6]

An amendment filed prior to the effective date of the application shall be deemed to have been filed at the same time and as a part of the original application. Amendments to the application for registration shall be filed on Form 8.

(b) In the event that, prior to the time registration becomes effective, an amendment to the application for registration is filed by the issuer with an exchange and the Commission, the certification by the exchange, unless withdrawn, shall be deemed made to the application as amended.

(c) An exchange may by notice to the Commission withdraw its certification as

to all or any part of the warrants or other securities covered thereby prior to the time that registration becomes effective. (Sec. 12 (d), 48 Stat. 892; 15 U. S. C. 781 (d)) [Rule X-12D3-7]

§ 240.12d3-8 *Denial of registration.*

(a) The Commission may deny registration of an unissued warrant or other unissued security for "when issued" dealing if, after notice and opportunity for hearing, it finds that:

(4) Any other facts exist which make such revocation necessary or appropriate in the public interest or for the protection of investors.

(4) The issuance of any new class of securities, or an aggregate increase or decrease of more than 5 percent in the amount of any class of securities of the registrant outstanding, as last previously reported, unless resulting from an ordinary sinking fund operation; *Provided*, That (i) no report need be made with respect to notes, drafts, bills of exchange, or banker's acceptances having a maturity at the time of issuance of not exceeding 1 year, and (ii) for the purposes of this subparagraph, securities held by the registrant shall not be deemed "outstanding";

(5) The granting or extension of any option to purchase equity securities of the registrant from the registrant, *Provided*, That a current report need be made only when one or more options calling for an aggregate principal amount of \$50,000 or more of a single issue of convertible evidences of indebtedness, or an aggregate of 1,000 or more shares or other units of any other single class of equity securities, have been granted or extended and have not been previously reported;

(6) The exercise, in whole or in part, of any option to purchase equity securities of the registrant from the registrant, provided that a current report need be made only when a person or persons have acquired an aggregate principal amount of \$50,000 or more of a single issue of convertible evidences of indebtedness, or an aggregate of 1,000 or more shares or other units of any other single class of equity securities, through one or more exercises which have not been previously reported;

(7) A person's becoming, or ceasing to be, a parent or subsidiary of the registrant, provided that no report need be made as to any subsidiary the name of which would not be required to be furnished in the form of annual report appropriate for the registrant;

(c) As used in this section, the term "previously reported" means previously reported in an application for registration or a report filed pursuant to section 12 or 13 of the act; the term "option" does not include options evidenced by an issue of securities, such as an issue of warrants or rights; the term "unit" means that unit of a class of securities representing the smallest interest in the registrant or in property of the registrant, or having the smallest par or face value or denomination which is separately transferable by a holder thereof. Unless the context otherwise requires, all other terms used in this section have the same meanings as in the act, in the form appropriate for an annual report of the registrant, and in the instruction book accompanying such form.

(d) The foregoing provisions of this section shall not be applicable to issuers of securities which are registered pursuant to an application on Form 18, 19, 20 or 21 or to management investment companies registered under the Investment Company Act of 1940 (54 Stat. 789, et seq.; 15 U. (e) A current report shall be filed by the registrant whenever its board of directors (or persons performing similar functions) decide to declare a dividend or distribution to the holders of any class of securities of such registrant, either with or without consideration, partly or wholly in the form of (1) an asset other than cash, stock, or a warrant or right to subscribe to or purchase stock, or (2) anything evidencing a right to receive such an asset. Such current report shall be filed promptly by confirmed telegram sent not later than midnight of the same day. The telegram shall be filed with each exchange on which any security of the registrant is registered and with the Commission, and the confirmation shall be filed with each such exchange and in triplicate with the Commission. Both the telegram and the confirmation may be filed in any form and shall contain a full and accurate description of the contemplated dividend or distribution. Whenever the terms of such contemplated dividend are changed in any material respect prior to the actual declaration of the dividend or distribution, and in any event upon such actual declaration, a supplementary report shall be filed, in the same manner and within the same time, bringing up to date the information contained in the report or reports previously filed under this paragraph. (Sec. 13, 48 Stat. 894; 15 U. S. C. 78m) [Rule X-13A-6]

§ 240.13a-10 *Reports in case of new registration under Securities Act of 1933.* (a) Notwithstanding the provisions of §§ 240.13a-1 and 240.13a-2 [Rules X-13A-1 and X-13A-2], any registrant except investment companies registered under the Investment Company Act of 1940, which has filed a registration statement under the Securities Act of 1933, may file as its annual report pursuant to § 240.13a-1 [Rule X-13A-1], copies of its registration statement under the latter act in lieu of an annual report on the appropriate annual report form if the statement (1) has become effective and is not subject to any proceeding under section 8 (d) of that act (48 Stat. 79; 15 U. S. C. 77 (h)) or to an order entered thereunder and (2) covers the period which would be covered by a report on the appropriate annual report form and contains all of the information including financial statements and exhibits required by the appropriate annual report form.

(b) In the case of carriers subject to the provisions of section 20 of the Interstate Commerce Act, as amended, or carriers required pursuant to any other act of Congress to make reports of the same general character as those required under such section 20, any person required to file reports or other documents with respect to such carriers may file with the Commission and the exchange duplicate copies of the reports and other documents filed with the Interstate Commerce Commission or with the governmental authority administering such other act of Congress in lieu of any reports, information and documents required under section 12 or 13 of the act in respect of the same subject matter. Any such reports or documents filed with the Commission and the exchange need not be certified by independent public or independent certified public accountants, any other rule or regulation to the contrary notwithstanding, if the reports and other documents filed with the Interstate Commerce Commission or with the governmental authority administering such other Act of Congress are not required to be so certified. SOLICITATIONS OF PROXIES

§ 240.14a-1 *Definitions.* Unless the context otherwise requires, all terms used in §§ 240.14 to 240.14a-9 and in Schedule 14A have the same meanings as in the

act or elsewhere in the general rules and regulations and in the forms for applications and reports thereunder. In addition, the following definitions apply unless the context otherwise requires:

(a) *Associate*. The term "associate" used to indicate a relationship with any person, means (1) any corporation or organization (other than the issuer or a majority owned subsidiary of the issuer) of which such person is an officer or partner or is, directly or indirectly, the beneficial owner of 10 percent or more of any class of equity securities, (2) any trust or other estate in which such person has a substantial beneficial interest or as to which such person serves as trustee or in a similar fiduciary capacity, and (3) any relative or spouse of such person having the same home as such person.

(b) *Issuer*. The term "issuer" means the issuer of the securities in respect of which a proxy is solicited.

(c) *Proxy*. The term "proxy" includes every proxy, consent or authorization within the meaning of section 14 (a) of the act. The consent or authorization may take the form of failure to object or to dissent.

(d) *Proxy statement*. The term "proxy statement" means the statement required by § 240.14a-3 (a), whether or not contained in a single document.

(e) *Solicitation*. The term "solicitation" includes (1) any request for a proxy whether or not accompanied by or included in a form of proxy, (2) any request to execute or not to execute, or to revoke, a proxy, or (3) the furnishing of a form of proxy to security holders under circumstances reasonably calculated to result in the procurement of a proxy. The term does not apply, however, to the furnishing of a form of proxy to a security holder upon the unsolicited request of such security holder, the performance by the issuer of acts required by § 240.14a-7, or the performance by any person of ministerial acts on behalf of a person soliciting a proxy. (Sec. 14 (a), 48 Stat. 895; 15 U. S. C. 78n)

(f) *Last fiscal year*. The term "last fiscal year" of the issuer means the last fiscal year of the issuer ending prior to the date of the meeting for which proxies are to be solicited.

§ 240.14a-2 *Solicitations to which §§ 240.14 to 240.14a-9 apply*. Sections 240.14 to 240.14a-9, inclusive, apply to every solicitation of a proxy with respect to securities listed and registered on a national securities exchange, except the following:

(a) Any solicitation made otherwise than on behalf of the management of the issuer where the total number of persons solicited is not more than ten.

(b) Any solicitation by a person in respect of securities carried in his name or in the name of his nominee (otherwise than as voting trustee) or held in his custody, if such person:

(1) Receives no commission or remuneration for such solicitation, directly or indirectly, other than reimbursement of reasonable expenses,

(2) Furnishes to the person solicited a copy of all soliciting material with respect to the same subject matter or meeting received from all persons who shall

furnish copies thereof for such purpose and who shall, if requested, defray the reasonable expenses to be incurred in forwarding such material, and

(3) In addition, does no more than instruct the person solicited to forward a proxy to the person, if any, to whom the person solicited desires to give a proxy, or request from the person solicited instructions as to the authority to be conferred by the proxy.

(c) Any solicitation by a person in respect of securities of which he is the beneficial owner.

(d) Any solicitation involved in the offer or sale of a certificate of deposit or other security registered under the Securities Act of 1933.

(e) Any solicitation with respect to a plan of reorganization under Chapter X of the Bankruptcy Act, as amended, if made after the entry of an order approving such plan pursuant to section 174 of said act and after, or concurrently with, the transmittal of information concerning such plan as required by section 175 of said act.

(f) Any solicitation which is subject to Rule U-62 under the Public Utility Holding Company Act of 1935.

(g) Any solicitation through the medium of a newspaper advertisement which informs security holders of a source from which they may obtain copies of a proxy statement, form of proxy and any other soliciting material and does no more than (1) name the issuer, (2) state the reason for the advertisement, and (3) identify the proposal or proposals to be acted upon by security holders. (Sec. 14 (a), 48 Stat. 895; 15 U. S. C. 78n)

§ 240.14a-3 *Information to be furnished security holders*. (a) No solicitation subject to §§ 240.14 to 240.14a-9, inclusive, shall be made unless each person solicited is concurrently furnished or has previously been furnished with a written proxy statement containing the information specified in Schedule 14A.

(b) If the solicitation is made on behalf of the management of the issuer and relates to an annual meeting of security holders at which directors are to be elected, each proxy statement furnished pursuant to paragraph (a) of this section shall be accompanied or preceded by an annual report to such security holders containing such financial statements for the last fiscal year as will, in the opinion of the management, adequately reflect the financial position and operations of the issuer. Such annual report, including financial statements may be in any form deemed suitable by the management. This paragraph shall not apply, however, to solicitations made on behalf of the management before the financial statements are available if solicitation is being made at the time in opposition to the management and if the management's proxy statement includes an undertaking in bold face type to furnish such annual report to all persons being solicited, at least twenty days before the date of the meeting.

(c) Three copies of each annual report sent to security holders pursuant to this section shall be mailed to the Commission, solely for its information, not

later than the date on which such report is first sent or given to security holders or the date on which preliminary copies of solicitation material are filed with the Commission pursuant to § 240.14a-6 (a), whichever date is later. The annual report is not deemed to be "soliciting material" or to be "filed" with the Commission or otherwise subject to §§ 240.14 to 240.14a-9, inclusive, or to the liabilities of section 18 of the act, except to the extent that the issuer specifically requests that it be treated as a part of the proxy soliciting material or incorporates it in the proxy statement by reference. (Sec. 14 (a), 48 Stat. 895; 15 U. S. C. 78n)

§ 240.14a-4 *Requirements as to form of proxy*. (a) The form of proxy (1) shall indicate in bold face type whether or not the proxy is solicited on behalf of the management and (2) shall identify clearly and impartially each matter or group of related matters intended to be acted upon, whether proposed by the management or by security holders. No reference need be made, however, to proposals omitted pursuant to paragraph (c) of § 240.14a-8.

(b) Means shall be provided in the form of proxy whereby the person solicited is afforded an opportunity to specify by ballot a choice between approval or disapproval of each matter or group of related matters referred to therein as intended to be acted upon, other than elections to office. A proxy may confer discretionary authority with respect to matters as to which a choice is not so specified provided the form of proxy states in bold face type how it is intended to vote the shares represented by the proxy in each such case.

(c) A proxy may confer discretionary authority with respect to other matters which may come before the meeting, provided the persons on whose behalf the solicitation is made are not aware at the time the solicitation is made that any such other matters are to be presented for action at the meeting and provided further that a specific statement to that effect is made in the proxy statement or in the form of proxy. A proxy may also confer discretionary authority with respect to any proposal omitted from the proxy statement and form of proxy pursuant to paragraph (c) of § 240.14a-8.

(d) No proxy shall confer authority (1) to vote for the election of any person to any office for which a bona fide nominee is not named in the proxy statement, or (2) to vote at any annual meeting other than the next annual meeting (or any adjournment thereof) to be held after the date on which the proxy statement and form of proxy are first sent or given to security holders.

(e) The proxy statement or form of proxy shall provide, subject to reasonable specified conditions, that the shares represented by the proxy will be voted and that where the person solicited specifies by means of a ballot provided pursuant to paragraph (b) of this section a choice with respect to any matter to be acted upon, the shares will be voted

in accordance with the specifications so made.

§ 240.14a-5 *Presentation of information in proxy statement.* (a) The information included in the proxy statement shall be clearly presented and the statements made shall be divided into groups according to subject matter and the various groups of statements shall be preceded by approximate headings. The order of items and sub-items in the schedule need not be followed. Where practicable and appropriate, the information shall be presented in tabular form. All amounts shall be stated in figures. Information required by more than one applicable item need not be repeated. No statement need be made in response to any item or sub-item which is inapplicable.

(b) Any information required to be included in the proxy statement as to terms of securities or other subject matter which from a standpoint of practical necessity must be determined in the future may be stated in terms of present knowledge and intention. To the extent practicable, the authority to be conferred concerning each such matter shall be confined within limits reasonably related to the need for discretionary authority. Subject to the foregoing, information which is not known to the persons on whose behalf the solicitation is to be made and which it is not reasonably within the power of such persons to ascertain or procure may be omitted, if a brief statement of the circumstances rendering such information unavailable is made.

(c) There may be omitted from the proxy statement any information contained in any other proxy soliciting material which has been furnished to each person solicited in connection with the same meeting or subject matter if a clear reference is made to the place where such information appears.

(d) All printed proxy statements shall be set in type at least as legible as 10-point leaded type except that to the extent necessary for convenient presentation financial statements and tabular matter may be set in type at least as legible as 8-point leaded type. (Sec. 14 (a), 48 Stat. 895; 15 U. S. C. 78n)

§ 240.14a-6 *Material required to be filed.* (a) Three preliminary copies of the proxy statement and form of proxy and any other soliciting material to be furnished to security holders concurrently therewith shall be filed with the Commission at least ten days prior to the date definitive copies of such material are first sent or given to security holders, or such shorter period prior to that date as the Commission may authorize upon a showing of good cause therefor.

(b) Three preliminary copies of any additional soliciting material, relating to the same meeting or subject matter, furnished to security holders subsequent to the proxy statement shall be filed with the Commission at least two days (exclusive of Saturdays, Sundays or holidays) prior to the date copies of such material are first sent or given to security holders, or such shorter period prior to such date as the Commission may au-

thorize upon a showing of good cause therefor.

(c) Three definitive copies of the proxy statement, form of proxy and all other soliciting material, in the form in which such material is furnished to security holders, shall be filed with, or mailed for filing to, the Commission not later than the date such material is first sent or given to any security holders. Three copies of such material shall at the same time be filed with, or mailed for filing to, each national securities exchange upon which any security in respect of which the solicitation is made is listed and registered.

(d) If the solicitation is to be made in whole or in part by personal solicitation, three copies of all written instructions or other material which discusses or reviews, or comments upon the merits of, any matter to be acted upon and which is furnished to the individuals making the actual solicitation for their use directly or indirectly in connection with the solicitation shall be filed with the Commission by the persons on whose behalf the solicitation is made at least five days prior to the date copies of such material are first sent or given to such individuals, or such shorter period prior to that date as the Commission may authorize upon a showing of good cause therefor.

(e) All copies of material filed pursuant to paragraph (a) or (b) of this section shall be clearly marked "Preliminary Copies" and shall be for the information of the Commission only, except that such material may be disclosed to any department or agency of the United States Government and the Commission may make such inquiries or investigation in regard to the material as may be necessary for an adequate review thereof by the Commission. All material filed pursuant to paragraph (a), (b) or (c) of this section shall be accompanied by a statement of the date upon which copies thereof are intended to be, or have been, released to security holders. All material filed pursuant to paragraph (d) of this section shall be accompanied by a statement of the date upon which copies thereof are intended to be released to the individuals who will make the actual solicitation.

(f) Copies of replies to inquiries from security holders requesting further information and copies of communications which do no more than request that forms of proxy theretofore solicited be signed and returned need not be filed pursuant to this section. (Sec. 14 (a), 48 Stat. 895; 15 U. S. C. 78n)

NOTE: Where preliminary copies of material are filed with the Commission pursuant to this section, the printing of definitive copies for distribution to security holders should be deferred until the comments of the Commission's staff have been received and considered.

§ 240.14a-7 *Mailing communications for security holders.* If the management of the issuer has made or intends to make any solicitation subject to §§ 240.14 to 240.14a-9, inclusive, the issuer shall perform such of the following acts as may be duly requested in writing with respect to the same subject matter or meeting by any security holder who is enti-

tled to vote on such matter or to vote at such meeting and who shall defray the reasonable expenses to be incurred by the issuer in the performance of the act or acts requested.

(a) The issuer shall mail or otherwise furnish to such security holder the following information as promptly as practicable after the receipt of such request:

(1) A statement of the approximate number of holders of record of any class of securities, any of the holders of which have been or are to be solicited on behalf of the management, or any group of such holders which the security holder shall designate.

(2) If the management of the issuer has made or intends to make, through bankers, brokers or other persons any solicitation of the beneficial owners of securities of any class, a statement of the approximate number of such beneficial owners, or any group of such owners which the security holder shall designate.

(3) An estimate of the cost of mailing a specified proxy statement, form of proxy or other communication to such holders, including insofar as known or reasonably available, the estimated handling and mailing costs of the bankers, brokers or other persons specified in subparagraph (2) of this paragraph.

(b) Copies of any proxy statement, form of proxy or other communication furnished by the security holder shall be mailed by the issuer to such of the holders of record specified in paragraph (a) (1) of this section as the security holder shall designate. The issuer shall also mail to each banker, broker or other person specified in paragraph (a) (2) of this section a sufficient number of copies of such proxy statement, form of proxy or other communication as will enable the banker, broker or other person to furnish a copy thereof to each beneficial owner solicited or to be solicited through him. Such material shall be mailed by the issuer with reasonable promptness after receipt of a tender of the material to be mailed, of envelopes or other containers therefor and of postage or payment for postage, except that such material need not be mailed prior to the first day on which the solicitation is made on behalf of the management. Neither the management nor the issuer shall be responsible for such proxy statement, form of proxy or other communication.

(c) In lieu of performing the acts specified above, the issuer may, at its option, furnish promptly to such security holder a reasonably current list of the names and addresses of such of the holders of record specified in paragraph (a) (1) of this section as the security holder shall designate, and a list of the names and addresses of such of the bankers, brokers or other persons specified in paragraph (a) (2) of this section as the security holder shall designate together with a statement of the approximate number of beneficial owners solicited or to be solicited through each such banker, broker or other person, and a schedule of the handling and mailing costs of each such banker, broker or other person, if such schedule has been supplied to the management of the issuer. The foregoing information shall be furnished promptly

upon the request of the security holder or at daily or other reasonable intervals as it becomes available to the management of the issuer. (Sec. 14 (a), 48 Stat. 895; 15 U. S. C. 78n)

CROSS REFERENCE: For interpretative releases applicable to § 240.14a-7, see §§ 241.3638 and 271.735 of this chapter.

§ 240.14a-8 Proposals of security holders. (a) If any security holder entitled to vote at a meeting of security holders of the issuer shall submit to the management of the issuer a reasonable time before such meeting a proposal which is a proper subject for action by the security holders and which is accompanied by notice of his intention to present the proposal for action at the meeting, the management shall set forth the proposal in its proxy statement and shall identify the proposal in its form of proxy and provide means by which security holders can make the specification provided for by § 240.14a-4 (a). A proposal so submitted with respect to an annual meeting more than 30 days in advance of a day corresponding to the date on which proxy soliciting material was released to security holders in connection with the last annual meeting of security holders shall prima facie be deemed to have been submitted a reasonable time before the meeting. This rule does not apply, however, to elections to office.

(b) If the management opposes the proposal, it shall also, at the request of the security holder, include in its proxy statement the name and address of the security holder and a statement of the security holder setting forth, in not more than one-hundred words, the reasons advanced by him in support of the proposal. Such statement and request shall be furnished to the management at the same time that the proposal is furnished to it. Neither the management nor the issuer shall be responsible for such statement.

(Sec. 2, 52 Stat. 1075; 15 U. S. C. 78o (c) (1)) [Rule X-15C1-8]

(Sec. 2, 52 Stat. 1075; 15 U. S. C. 78o (c) (1)) [Rule X-15C1-9]

§ 240.15c2-1 *Hypothecation of customers' securities—(a) General provisions.* The term "fraudulent, deceptive, or manipulative act or practice", as used in section 15 (c) (2) of the act, is hereby defined to include the direct or indirect hypothecation by a broker or dealer, or his arranging for or permitting, directly or indirectly, the continued hypothecation of any securities carried for the account of any customer under circumstances:

(1) That will permit the commingling of securities carried for the account of any such customer with securities carried for the account of any other customer, without first obtaining the written consent of each such customer to such hypothecation;

(2) That will permit such securities to be commingled with securities carried for the account of any person other than a bona fide customer of such broker or dealer under a lien for a loan made to such broker or dealer; or

(3) That will permit securities carried for the account of customers to be hypothecated, or subjected to any lien or liens or claim or claims of the pledgee or pledgees, for a sum which exceeds the aggregate indebtedness of all customers in respect of securities carried for their accounts; except that this clause shall not be deemed to be violated by reason of an excess arising on any day through the reduction of the aggregate indebtedness of customers on such day, provided that funds or securities in an amount sufficient to eliminate such excess are paid or placed in transfer to pledgees for the purpose of reducing the sum of the liens or claims to which securities carried for the account of customers are subject as promptly as practicable after such reduction occurs, but before the lapse of one half hour after the commencement of banking hours on the next banking day at the place where the largest principal amount of loans of such broker or dealer are payable and, in any event, before such broker or dealer on such day has obtained or increased any loan collateralized by securities carried for the account of customers.

(b) *Definitions.* For the purposes of this section:

(1) The term "customer" shall not be deemed to include any general or special partner or any director or officer of such broker or dealer, or any participant, as such, in any joint, group or syndicate account with such broker or dealer or with any partner, officer or director thereof;

(2) The term "securities carried for the account of any customer" shall be deemed to mean:

(i) Securities received by or on behalf of such broker or dealer for the account of any customer;

(ii) Securities sold and appropriated by such broker or dealer to a customer, except that if such securities were subject to a lien when appropriated to a customer they shall not be deemed to be "securities carried for the account of any customer" pending their release from such lien as promptly as practicable;

(iii) Securities sold, but not appropriated, by such broker or dealer to a customer who has made any payment therefor, to the extent that such broker or dealer owns and has received delivery of securities of like kind, except that if such securities were subject to a lien when such payment was made they shall not be deemed to be "securities carried for the account of any customer" pending their release from such lien as promptly as practicable;

(3) "Aggregate indebtedness" shall not be deemed to be reduced by reason of uncollected items. In computing aggregate indebtedness, related guaranteed and guarantor accounts shall be treated as a single account and considered on a consolidated basis, and balances in accounts carrying both long and short positions shall be adjusted by treating the market value of the securities required to cover such short posi-

tions as though such market value were a debit; and

(4) In computing the sum of the liens or claims to which securities carried for the account of customers of a broker or dealer are subject, any rehypothecation of such securities by another broker or dealer who is subject to this section or to § 240.8c-1 shall be disregarded.

(c) *Exemption for cash accounts.* The provisions of paragraph (a) (1) of this section shall not apply to any hypothecation of securities carried for the account of a customer in a special cash account within the meaning of 12 CFR 220.4 (c): *Provided*, That at or before the completion of the transaction of purchase of such securities for, or of sale of such securities to, such customer, written notice is given or sent to such customer disclosing that such securities are or may be hypothecated under circumstances which will permit the commingling thereof with securities carried for the account of other customers. The term "the completion of the transaction" shall have the meaning given to such term by § 240.15c1-1 (b).

(d) *Exemption for clearing house liens.* The provisions of paragraphs (a) (2), (a) (3) and (f) of this section shall not apply to any lien or claim of the clearing corporation, or similar department or association, of a national securities exchange, for a loan made and to be repaid on the same calendar day, which is incidental to the clearing of transactions in securities or loans through such corporation, department or association: *Provided, however*, That for the purpose of paragraph (a) (3) of this section, "aggregate indebtedness of all customers in respect of securities carried for their accounts" shall not include indebtedness in respect of any securities subject to any lien or claim exempted by this paragraph.

(e) *Exemption for certain liens on securities of noncustomers.* The provisions of paragraph (a) (2) of this section shall not be deemed to prevent such broker or dealer from permitting securities not carried for the account of a customer to be subjected (1) to a lien for a loan made against securities carried for the account of customers, or (2) to a lien for a loan made and to be repaid on the same calendar day. For the purpose of this exemption, a loan shall be deemed to be "made against securities carried for the account of customers" if only securities carried for the account of customers are used to obtain or to increase such loan or as substitutes for other securities carried for the account of customers.

(f) *Notice and certification requirements.* No person subject to this section shall hypothecate any security carried for the account of a customer unless, at or prior to the time of each such hypothecation, he gives written notice to the pledgee that the security pledged is carried for the account of a customer and that such hypothecation does not contravene any provision of this section, except that in the case of an omnibus account the broker or dealer for whom such account is carried may furnish a signed statement to the person carrying such account that all securities carried therein by such broker or dealer will be

securities carried for the account of his customers and that the hypothecation thereof by such broker or dealer will not contravene any provision of this section. The provisions of this paragraph shall not apply to any hypothecation of securities under any lien or claim of a pledgee securing a loan made and to be repaid on the same calendar day. (Sec. 2, 52 Stat. 1075; 15 U. S. C. 78o (c) (2)) [Rule X-15C2-1]

§ 240.15c2-2 *Prohibition of trading during the suspension of trading on a national securities exchange.* The term "fraudulent, deceptive, or manipulative act or practice," as used in section 15 (c) (2) of the act, is hereby defined to include any act of any broker or dealer designed to effect with or for the account of a customer any transaction in, or to induce the purchase or sale by such customer of, any security during the period between (a) a public announcement by the Commission that it has suspended trading in such security on a national securities exchange pursuant to section 19 (a) (4) of the act in order to prevent fraudulent, deceptive, or manipulative acts or practices and (b) the expiration or lifting of such suspension. (Sec. 2, 52 Stat. 1075; 15 U. S. C. 78o (c) (2)) [Rule X-15C2-2]

§ 240.15c3-1 *Ratio of aggregate indebtedness to net capital—(a) General provision.* No broker or dealer shall permit his aggregate indebtedness to all other persons to exceed 2,000 per centum of his net capital.

(b) *Exemptions.* The provisions of this section shall not apply to:

(1) Any broker or dealer who (i) does not extend credit to any person to whom he sells or for whom he purchases any securities, and (ii) does not carry money or securities for the account of customers or owe money or securities to customers, except as an incident to transactions with or for customers which are promptly consummated by payment or delivery: *Provided*, That credit shall not be deemed to be extended by reason of a bona fide delayed delivery of any such security against full payment of the entire purchase price thereof upon such delivery within thirty-five (35) days after such purchase; or

(2) Any member of the Boston Stock Exchange, Chicago Stock Exchange, Cleveland Stock Exchange, Los Angeles Stock Exchange, New York Curb Exchange, New York Stock Exchange, Pittsburgh Stock Exchange, Salt Lake Stock Exchange or San Francisco Stock Exchange, all of whose rules and settled practices are deemed by the Commission to impose requirements more comprehensive than the requirements of this section: *Provided*, That the exemption as to the members of any exchange may be suspended or withdrawn by the Commission at any time, by sending at least ten (10) days' written notice to such exchange, if it appears to the Commission necessary or appropriate in the public interest or for the protection of investors so to do.

(c) *Definitions.* For the purpose of this section:

(1) The term "aggregate indebtedness" shall be deemed to mean the total money liabilities of a broker or dealer arising in connection with any transaction whatsoever, including, among other things, money borrowed, money payable against securities loaned and securities "failed to receive," customers' free credit balances, credit balances in customers' accounts having short positions in securities, and equities in customers' commodities futures accounts, but excluding (i) Indebtedness secured by exempted securities;

(v) Deducting, in the case of a broker or dealer who is a sole proprietor, the excess of (a) liabilities which have not been incurred in the course of business as a broker or dealer over (b) assets not used in the business, but only if such excess would materially affect net worth;

REPORTS OF REGISTRANTS UNDER THE SECURITIES ACT OF 1933

§ 240.15d-1 Annual reports of registrants under Securities Act of 1933. Each issuer having securities registered under the Securities Act of 1933 and having a duty to file supplementary and periodic information, documents, and reports pursuant to section 15 (d) of the Securities Exchange Act of 1934 (49 Stat. 1379; 15 U. Separate reports shall be filed as to each such security and may be filed by one or more of the stabilizers on behalf of any of the stabilizers. For the purpose of this rule and the forms prescribed hereby, the term "offered security" includes any security of the same class. Reports filed pursuant to this rule will be available for public inspection after the stabilizers have filed all the reports required hereby.

(d) Promptly upon the termination of the stabilizing, if any stabilizer then has a long position in the offered security, he shall promptly notify the Commission in writing of the amount of such long position, unless he is filing, pursuant to para-

securities exchange who transacts a business in securities directly with others than members of a national securities exchange, and every broker or dealer who transacts a business in securities through the medium of any such member, and every broker or dealer registered pursuant to section 15 of the Securities Exchange Act of 1934, as amended (48 Stat. 895, 49 Stat. 1377; 15 U. S. C. 78o), shall file on Form X-17A-5, during each calendar year commencing January 1, 1943, a report of his financial condition as of a date not more than 45 days prior to the filing thereof: *Provided*, That reports for any two consecutive years shall not be filed within less than four months of each other. The report shall be filed in duplicate with the Regional Office of the Commission for the region in which the member, broker, or dealer has his principal place of business.

(b) *Nature and form of reports.* Each report of financial condition filed pursuant to paragraph (a) of this section shall be prepared and filed in accordance with the following requirements:

(1) The report of a member, broker, or dealer shall be certified by a certified public accountant or a public accountant who shall be in fact independent (i) if said member, broker, or dealer is required to file a certified financial statement with any agency of any state in which he does business as a condition of doing business in securities therein, or is required to file a certified financial statement with any national securities exchange of which he is a member, or (ii) if, during the year preceding the date as of which his financial condition is reported said member, broker, or dealer has made a practice of (a) extending credit in any form to customers (such as carrying margin accounts or selling securities on a partial payment or installment basis): *Provided*, That credit shall not be deemed to be extended by reason of a bona fide delayed delivery of any such security against full payment of the entire purchase price thereof upon such delivery within thirty-five (35) days after such purchase; (b) holding securities owned by customers, except as an incident to transactions with or for customers which are promptly consummated by delivery, or (c) carrying credit balances of customers, except as an incident to transactions with or for customers which are promptly consummated by payment;

The oath or affirmation shall be made before a person duly authorized to administer such oaths or affirmations. If the member, broker, or dealer is a sole proprietorship, the oath or affirmation shall be made by the proprietor; if a partnership, by a general partner; or if a corporation, by a duly authorized officer.

(3) If the schedules furnished pursuant to the requirements of items (a), (b) and (c) of Part II of Form X-17A-5 are bound separately from the balance of the report they shall be deemed confidential, except that they shall be available for official use by any official or employee of the United States or any state; by national securities exchanges and national securities associations of which the person filing such report is a member; and by any other person to whom the Commission authorizes disclosure of such information as being in the public interest. Nothing contained in this paragraph shall be deemed to be in derogation of the rules of any national securities association or national securities exchange which give to customers of a member, broker, or dealer the right, upon request to such member, broker, or dealer, to obtain information relative to his financial condition.

(c) *Use of certain statements filed with the Securities and Exchange Commission, State Commissions and National Securities Exchanges.* (1) Any member, broker, or dealer who is subject to the provisions of paragraph (a) of this section may file in lieu of the report required by that paragraph a copy of any financial statement which he is, or has been, required to file with any national securities exchange of which he is a member, or with any agency of any State as a condition of doing business in securities therein, *Provided*, That (i) the copy so included reflects his financial condition as of a date not more than forty-five (45) days prior to the filing thereof with the Commission, and (ii) the report, as filed with this Commission, meets the requirements of this rule and Form X-17A-5 and contains the information called for by that form.

(2) At the request of any member, broker, or dealer who is (i) an investment company registered under the Investment Company Act of 1940, or (ii) a sponsor or depositor of such a registered investment company who effects transactions in securities only with, or on behalf of, such registered investment company, the Commission will accept any statement of his financial condition filed pursuant to sections 13 or 15 (d) of the Securities Exchange Act of 1934 or section 30 of the Investment Company Act of 1940 and the rules and regulations promulgated thereunder as a filing pursuant to this rule. Such a filing shall be deemed to satisfy the requirements of this rule for any calendar year in which such a financial statement is filed, *Provided*, That the statement so filed meets the requirements of the other rules under which it is filed with respect to time of filing and content.

(d) *Extension of time for filing reports.* In the event any member, broker, or dealer finds that he cannot file his report for any year within the time specified in paragraph (a) or (c) of this section without undue hardship, he may file with the Commission an application for an extension of time to a specified date which shall not be more than 90 days after the date as of which his financial condition is reported. The application shall state the reasons for the requested extension and shall contain an agree-

ment to file the report on or before the specified date. The application shall be deemed granted unless the Commission, within ten days after receipt thereof, enters an order denying the application.

(e) *Exemptions.* Any "bank", as defined in section 3 (a) (6) of the Act, (48 Stat. 882; 15 U. S. C. 78c) shall be exempt from the provisions of this section.

(2) *Representations as to audit.* The accountant's certificate (i) shall contain a reasonably comprehensive statement as to the scope of the audit made, including a statement as to whether the accountant reviewed the procedures followed for safeguarding the securities of customers, and including, if with respect to significant items in the report covered by the certificate any auditing procedures generally recognized as normal have been omitted, a specific designation of such procedures and of the reasons for their omission, (ii) shall state whether the audit was made in accordance with generally accepted auditing standards applicable in the circumstances; and (iii) shall state whether the audit made omitted any procedure deemed necessary by the accountant under the circumstances of the particular case.

(3) Nothing in this rule shall be construed to imply authority for the omission of any procedure which independent accountants would ordinarily employ in the course of an audit made for the purpose of expressing the opinions required by paragraph (h) of this section.

(h) *Accountant's certificate; opinions to be expressed.* The accountant's certificate shall state clearly the opinion of the accountant with respect to the financial statement covered by the certificate and the accounting principles and practices reflected therein.

(i) *Accountant's certificate; exceptions.* Any matters to which the accountant takes exception shall be clearly identified; the exception thereto shall be specifically and clearly stated; and, to the extent practicable, the effect of each such exception on the related item of the report shall be given. (Sec. 17, 48 Stat. 897, sec. 4, 49 Stat. 1379, sec. 5, 52 Stat. 1076; 15 U. S. C. 78q (a)) [Rule X-17A-5]

INSPECTION AND PUBLICATION OF INFORMATION FILED UNDER THE ACT

§ 240.24b-1 *Documents to be kept public by exchanges.* Upon action of the Commission granting an exchange's

application for registration or exemption, the exchange shall make available to public inspection at its offices during reasonable office hours a copy of the statement and exhibits filed with the Commission (including any amendments thereto) except those portions thereof to the disclosure of which the exchange shall have filed objection pursuant to § 240.24b-2 which objection shall not have been overruled by the Commission pursuant to section 24 (b) of the act. (Sec. 24 (b), 48 Stat. 901; 15 U. S. C. 78x (b)) [Rule X-24B-1]

CROSS REFERENCE: For regulations relating to registration and exemption of exchanges, see §§ 240.6a-1 to 240.6a-4.

§ 240.24b-2 *Non-disclosure of information filed with the Commission and with an exchange.* Any person filing any application, report, or document under the act may make written objection to the public disclosure of any information contained therein in accordance with the procedure set forth below:

(a) The person shall omit from the application, report, or document, when it is filed, the portion thereof which it desires to keep undisclosed (hereinafter called the confidential portion). In lieu thereof, it shall indicate at the appropriate place in the application, report, or document that the confidential portion has been so omitted and filed separately with the Commission.

(b) The person shall file with the copies of the application, report, or document filed with the Commission:

(1) As many copies of the confidential portion, each clearly marked "Confidential", as there are copies of the application, report, or document filed with the Commission and with each exchange. Each copy shall contain the complete text of the item and, notwithstanding that the confidential portion does not constitute the whole of the answer, the entire answer thereto; except that in case the confidential portion is part of a financial statement or schedule, only the particular financial statement or schedule need be included. All copies of the confidential portion shall be in the same form as the remainder of the application, report or document;

(2) An application making objection to the disclosure of the confidential portion. Such application shall be on a sheet or sheets separate from the confidential portion, and shall contain: (i) an identification of the portion of the application, report, or document which has been omitted; (ii) a statement of the grounds of objection; (iii) either a consent that the Commission shall determine the question of public disclosure upon the basis of the application and without a hearing, or a request for a hearing on the question of public disclosure, if that is desired; (iv) the name of each exchange with which the application, report or document is filed.

The copies of the confidential portion and the application filed in accordance with this paragraph shall be enclosed in a separate envelope marked "Confidential" and addressed to The Chairman, Securities and Exchange Commission, Washington, D. C.

(c) Pending the determination by the Commission as to the objection filed in accordance with paragraph (b) of this section, the confidential portion will be kept undisclosed.

(d) If the Commission determines that the objection shall be sustained, a notation to that effect will be made at the appropriate place in the application, report, or document.

(e) Prior to any determination overruling the objection, if a hearing shall have been requested in accordance with paragraph (b) of this section, at least ten days' notice of the time and place of such hearing will be given by registered mail to the person or his agent for service. Failure of any person making an application pursuant to paragraph (b) of this section to request a hearing, to appear at such hearing, or to offer evidence at the hearing in support of his application, shall be deemed a consent by such person to the submission of his objection for determination by the Commission. In any case in which a hearing has been held, the Commission need consider only such grounds of objection as shall have been supported by evidence adduced at the hearing and the failure at the hearing to adduce evidence in support of any ground of objection may be deemed by the Commission a waiver thereof.

(f) If after such hearing the Commission determines that the objection shall be sustained, a notation to that effect will be made at the appropriate place in the application, report, or document.

(g) If such hearing either (1) shall not have been requested, or (2) if requested, shall have been held, and the Commission shall have determined that disclosure of the confidential portion is in the public interest, a finding and determination to that effect will be entered and notice of the finding and determination will be sent by registered mail to the person or his agent for service.

(h) If such finding and determination are made with respect to the confidential portion of an application, report, or document filed pursuant to section 12 or 13 of the act (48 Stat. 892, 894, 49 Stat. 1375; 15 U. S. C. 78i, 78m), the registration of the securities with respect to which the application, report, or document was filed may be withdrawn at any time within 15 days of the dispatch of notice by registered mail of such finding and determination. Such withdrawal shall be effected as follows:

(1) The issuer shall file with the Commission a written notification of withdrawal.

(2) Upon receipt of such notification, the Commission will send confirmed telegraphic notice thereof to each exchange on which the securities are registered.

(3) The registration shall continue in effect until, and shall terminate on, the close of business of the tenth day after the dispatch of such telegraphic notice to the exchange by the Commission.

(4) All applications, reports, or documents filed in connection with the registration shall be retained by the Commission and the exchange on which filed, and shall be plainly marked: "Registration withdrawn as of _____ (date of termination of registration)"

except that all copies of the Confidential Portion will be returned to the issuer.

(i) The confidential portion shall be made available to the public at the time and according to the conditions specified in subparagraphs (1)-(3) of this paragraph:

(1) Upon the lapse of 15 days after the dispatch of notice by registered mail of the finding and determination of the Commission described in paragraph (g) of this section, if prior to the lapse of such 15 days the person shall not have filed a written statement that he intends in good faith to seek judicial review of the finding and determination;

(2) Upon the lapse of 60 days after the dispatch of notice by registered mail of the finding and determination of the Commission, if the statement described in subparagraph (1) of this paragraph shall have been filed and if a petition for review shall not have been filed within such 60 days; or

(3) If such petition for review shall have been filed within such 60 days, upon final disposition, adverse to the person, of the judicial proceedings.

(j) If the confidential portion is made available to the public, one copy thereof shall be attached to each copy of the application, report, or document filed with the Commission and with each exchange. (Secs. 12, 13, 24, 48 Stat. 892, 894, 901, sec. 1, 49 Stat. 1375; 15 U. S. C. 781, 78m, 78x) (Rule X-24B-2)

CROSS REFERENCE: For nondisclosure of information obtained in examinations and investigations, see § 240.0-4.

§ 240.24b-3 Documents filed by issuers and others under sections 12, 13, and 16 of the act. (a) Except as otherwise provided in this section, each exchange shall keep available to the public, under reasonable regulations as to the manner of inspection, during reasonable office hours, all information regarding a security registered on such exchange which is filed with it pursuant to sections 12, 13, or 16 of the act, or any rules or regulations thereunder. This requirement shall not apply to any information to the disclosure of which objection has been filed pursuant to § 240.24b-2, which objection shall not have been overruled by the Commission pursuant to section 24 (b) of the act. The making of such information available pursuant to this section shall not be deemed a representation by any exchange as to the accuracy, completeness, or genuineness thereof.

(b) In the case of an application for registration of a security pursuant to section 12 of the act an exchange may delay making available the information contained therein until it has certified to the Commission its approval of such security for listing and registration. TITLE 14—CIVIL AVIATION

Chapter I—Civil Aeronautics Board

[Regs., Serial No. SR-323-A]

LONG-DISTANCE DOMESTIC SCHEDULED AIR CARRIER OPERATIONS

Adopted by the Civil Aeronautics Board at its office in Washington, D. C., on the 15th day of December 1948.

Special Civil Air Regulation SR-323 (12 F. R. 3199) expires December 15, 1948. This regulation provides special operating rules for flights of scheduled air carrier aircraft at altitudes in excess of 12,500 feet east of longitude 100 W. and at altitudes in excess of 14,500 feet west of longitude 100 W. in long-distance operations.

Parts 40, 60, and 61 of the Civil Air Regulations impose undue operating restrictions on long-range, domestic, scheduled air carrier operations under the above conditions. Revisions of these parts which will provide for such operations are now being prepared. It is in the public interest to continue the long-distance operations authorized by Special Civil Air Regulation Serial Number SR-323, until these revisions are issued.

Since this regulation imposes no additional burden on any person, it may be made effective without prior notice.
